# Simply stylish sewing With the new 3 Series

BERNINA 330 | 350 PE | 380

www.bernina.com

#### BERNINA 330 | 350 PE | 380

#### Simply the best design.

The new BERNINA 3 Series models lead the way in both design and technology. The contemporary style sets a new benchmark in the world of sewing machines and in the home of every sewer – from the creative beginner to the design-conscious hobby sewer and quilter. Inside, cutting-edge technology and robust, long-lasting quality ensure that nothing stands in the way of your creativity. Outside, a beautiful user-friendly design – in other words, classic BERNINA.

#### Simply more quality.

Visual delights, technological masterpieces: The BERNINA 3 Series positively sparkles with new and innovative functions and features. The latest, ultra-high-contrast LCD display lets you keep track of what you are doing. Direct-selection buttons mean quick and easy operation. The start/stop button and slide speed control, semi-automatic threader, automatic buttonhole and securing stitch function save you time and let you to sew, quilt and patchwork effortlessly and professionally. The bright LED sewing lights, extension table and Free Hand System make for superb ease of sewing. Stylish sewing really can be this easy!

#### Simply more inspiration.

Whether it's sewing clothes, mending, creating home accessories or quilting and patchworking, the BERNINA 3 Series models give every sewer the freedom to use an unlimited variety of creative techniques. Any fabric can be sewn and embellished without a problem. Alphabets and decorative stitches let you express your creativity and individuality in myriad ways. And as you grow more ambitious, the 3 Series can be enhanced with a wide range of special accessories.
